

## **German Language (Level A2)**

This German Language course (Level A2) is designed for individuals with prior knowledge of the language and/or who have cleared the A1 level. This course will further enhance the language skills, vocabulary, grammar and pronunciation of the participants; including reading and listening comprehension, writing and speaking.

### **Learning Outcomes:**

At this level learners can understand sentences and frequently used expressions related to areas of most immediate relevance (e.g. very basic personal and family information, shopping, local geography, employment); they can communicate in simple and routine tasks requiring a simple and direct exchange of information on familiar and routine matters; they can describe in simple terms aspects of their background, immediate environment and matters in areas of immediate need.

The participants on the completion of the course will be move to the 'Waystage' level of competency as defined by the EU framework.

### **Topics Covered:**

With this course, the participants will be able to:

- To introduce themselves and others, understand, explain feelings and situations.
